God, our Creator, we thank you for the awesome and innumerable gifts of creation. We thank you and magnify your holy name along with the creation that glorifies you. You have called us to be faithful stewards of your creation. But we have failed in our responsibility towards you and the creation. Purge us from all evils and enable us to be good and faithful creation. Make us sensible to live in tune with the nature; enable us to experience the grandeur of your creation, in Jesus name who lives and reigns with you and and the Holy Spirit, one God now and ever.
Amen.
